

Accommodation

Participants are expected to make their own housing arrangements. Various suggestions and links will appear on the below-listed website. Designated areas will be provided for the duration of the event which will allow sleeping in caravans, campers, or tents. Since the space will be limited, please reserve space in advance via the website.

Entries

All entries must be made on the official entry form or through the e-mail form available at the Championship website. The number of entries will be limited to 160 cats.

Weather Info

The North Sea has moderate to strong currents. A long breakwater marking the entrance to the Port of Rotterdam, protects the Racing Area. There are no obstructions and the area is considered one of the best racing areas along the Dutch coast.

- Seawater temperature is about 15C
- Average ambient temperature is 20C
- Wind strength ranges from 10-20 knots

Organising Authority

The Organising Authority is the Foundation for "International Regattas Formula 18 Class" and the Watersport Association of Hoek van Holland in close cooperation with the Dutch Formula 18 Association.
